

INTERNATIONAL STUDENT PROGRAM

OUR COLLEGE

Sunshine College is a multicultural and co-educational college located in the inner west of Melbourne, Victoria. We are a multi-campus college with two campuses offering a wide range of courses. All of our campuses are well served by public transport.

Students are able to study a wide-range of subjects from VCE (Victorian Certificate of Education) and VET (Victorian Education and Training) including English / EAL, Mathematics, Science, STEM, Design, Music Performance, Drama, Physical Education, and Food Technology, which international students attend with our local students.

STUDENT EXPERIENCE

Our college has strong academic and welfare values. We pride ourselves on our academic achievement and welfare support. The College employs a nurse, student welfare counsellors, psychologist and careers counsellors.

Our aim is to provide successful pathways for all students. We are well known across Victoria for our programs to develop literacy skills and mathematics. Our senior program in supporting students gain tertiary courses has also won awards.

Our International Students are an important part of our college. We have a very experienced team managing the program, with an experienced coordinator supported by three international student assistants; all Vietnamese speakers who work very closely with students and their families.

Students are encouraged to participate in a wide-range of co-curricular activities including sport, music, and academic competitions to assist in them to adjust to a different culture and education system, and to make friends with local students.

GROWTH

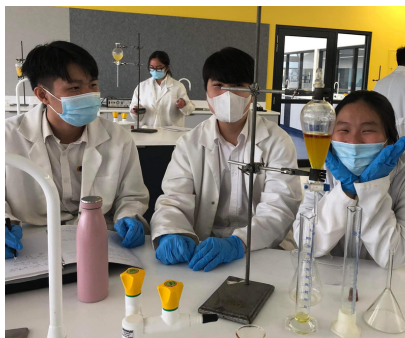

LEARNING

RELATIONSHIPS

WELLBEING

HOMESTAY

The College recognises the importance of providing the best possible homestay accommodation and welfare arrangements for International Students. Students can choose a homestay family with a variety of cultural backgrounds who speak English, Vietnamese and a range of other languages.

Homestay families all live in our local area and are carefully selected and regularly monitored by college staff.
