PURPOSE

To explain to our school community the Department's and Sunshine College's policy requirements and expectations relating to students using mobile phones and other personal mobile devices such as smart watches and tablets during school hours.

SCOPE

This policy applies to:

1. All students at Sunshine College,
2. Students' personal mobile phones and other personal mobile devices such as smart watches and tablets brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches, with access to a cellular (telecommunication) system, with or without a physical connection to a network.

POLICY

Sunshine College understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Sunshine College:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office and not the student directly.

Personal mobile phone use

In accordance with the Department's [Mobile Phones – Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Sunshine College during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical, and responsible manner.

Secure storage

Mobile phones owned by students at Sunshine College are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Sunshine College does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Sunshine College's Personal Property Policy AND/OR the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone to school, Sunshine College will provide secure storage in the student's locker or with a Student Engagement coordinator. Secure storage is storage that cannot be readily accessed by those without permission to do so.

Enforcement

Students who use their personal mobile phones inappropriately at Sunshine College may be issued with consequences consistent with our school's existing student engagement policies. (*Student Wellbeing and Engagement* and/or *Code of Conduct* or *Bullying* policies).

At Sunshine College inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing, or threatening messages or phone calls
- to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, teachers, and members of the school community without their permission
- to capture video or images in the school toilets, changing rooms, swimming pools and gyms
- during exams and assessments
- messaging/calling another student or adult outside of the school.
