Box of Books - Parent Information

Order by Sunday, 7 December 2025

Your school has partnered with Box of Books (BoB) to make getting ready for the new school year simple. All your child's digital and physical textbooks and stationery items can be ordered in one place, so they're ready to go from day one.

This document provides a summary of all subjects that have a booklisted resource for purchase. All relevant subject-level information will be detailed in the booklist via the BoB Shop.

Please ensure that you review the booklist carefully, as it contains the most up-to-date and accurate details for your school's resource requirements.

How to Order

Head to <https://shop.boxofbooks.com.au> to place your order.

Ordering early helps make sure everything is ready for the first day of school.

Subject Notes

Please take a moment to read the subject-level notes on the booklist via the BoB Shop. These contain important guidance on whether resources are required, optional, or provided by the school. The notes also include any additional instructions from teachers or departments to assist with selecting the correct resources.

Physical Delivery

Your child's books will be delivered straight to your home, with each student's order packed in their own box. You can track orders anytime through your BoB Shop account. Delivery is \$9.95 plus a \$5.95 packing fee per student for orders with three or more physical items, while digital-only orders are always free.

Late Orders

We'll always do our best to supply your child's resources in full.

Please note that for orders placed after

Sunday, 7 December 2025, stock can't be guaranteed.

If something is delayed, your order may arrive in more than one delivery.

Prices as at Sunday, 30 November 2025

BRING YOUR OWN DEVICE (BYOD)	Quantity	Digital (BoB)	Digital (BoB) & Physical	Physical & Miscellaneous
<p>At Sunshine College all students in year 11 & 12 are encouraged to bring a laptop to school.</p> <p>Families have the option to purchase through our recommended supplied Learning With Technologies (LWT) or supplying their own laptop. The purchase of Tablets and Google Chromebooks are discouraged. These devices do not provide the necessary access, functionality and compatibility required for our programs and may limit your child's learning experience. Students who supply their own laptop must have a device that aligns with the school's recommended specifications to fully support their educational needs which will be able to access and connect to the school's network.</p> <p>While we understand this is not an option for some families, we've worked with LWT to ensure families have access to affordable options which are suitable for our education program. The College selects devices offerings across a number of price points that meet our requirements, and reviews the devices offered year-by-year. Device offerings are selected with durability in mind, and will include a 3 year warranty and insurance for peace of mind. Should you wish to purchase from a different retailer please check the Sunshine College website for minimum specifications and the schools BYOD policy.</p> <p>https://sunshinecollege.orderportal.com.au/</p>
